

The Lexington Racing Pigeon Club
2010
SINGLE-LOFT FUTURITY
\$3,000 Prize Pool*

Come fly with us!

This single-loft futurity will be flown for average speed in a three race series of 100 miles, 150 miles, and 200 miles. Entries will be limited to 120 birds on a first-come space available basis.

- ★ Birds will be accepted after February 1 and continue until June 1.
- ★ **Entry fee is \$25.00 per bird.** No limit on entries. No perch fee. The 120 accepted birds will be based upon paid fee dates only, not delivery of birds. Birds must be mailed in approved USPS containers. Please call ahead (numbers below) if you plan to ship birds.
- ★ All birds must be seamless banded with 2010 "B" size bands.
- ★ All funds will be managed by the Secretary, Lexington Racing Pigeon Club. Training, driving and feed costs are donated by the LRPC, so **all entry fees will go into the prize pool.** *Total prize pool is determined by the number of birds entered. 120 birds will create a pool of \$3000.00. Prizes will be awarded 1st through 4th: **\$1500, \$750, \$500, \$250** (based on 120 birds).
- ★ Clocking will be by countermark and mechanical clock, with a video record. First bird gating wins, no ties.
- ★ An announced bird auction (on the club website) will follow the last race. Guaranteed "buyback" of your bird for \$25 each bird paid upon entry.

September 19th 100 miles • September 26th 150 miles • October 3rd 200 miles

Race information, results and race day meeting info will be posted on the Lexington Racing Pigeon Club Website: <http://www.lexingtonracingpigeonclub.org>
Make Checks payable to Lexington Racing Pigeon Club. When delivering/shipping birds, please provide a list of birds/band numbers and your contact information including email if possible.

Anyone interested can contact the LRPC Secretary at grizzle41@windstream.net, or Kip Sulham at sulham@windstream.net. Telephone: 1-859-873-0513 or 1-859-266-8796
